

Sixth grade isn't that hard to go through—or is it? Well, at least for Katherine "Kat" Canterbury, it is! Look into Kat's world through her diary and find out about the troubles of everyday life in sixth grade. From mean girls to annoying brothers, not to mention a few friend problems and an overload of rhinestones and "bling", hear from Kat herself about how she deals with all that!

## 2<sup>nd</sup> Book by RCHK young writer – Audrey Lau

Let's get into her new writing journey after her debut in book publishing – "Down the Rabbit Hole" since 2015.

All net proceeds will be donated to RCHK charity fund - [SP@RC](#) to support a wide range of projects for other schools where students do not have many of the basic resources.
